BOARD OF ASSESSMENT REVISION

Courthouse Annex 118 Main Street Wellsboro PA 16901

March 14, 2024

Re: Press Release – 2024 Tax Impact Analysis

Throughout the county-wide reassessment project it was stated that typically 1/3 of the properties will see a decrease in taxes, 1/3 will stay about the same, and 1/3 will see an increase. Now that the final county and municipal millage rates have been set for the 2024 tax year, we have enough information to provide a summary of the tax impact of the reassessment project on Tioga County property owners. On the next page you will find a chart detailing the number of properties that increased, and the number of properties that decreased following the reassessment.

These figures are based on the difference in the 2023 and 2024 County and Municipal taxes, and include an estimate for the deference between the 2023 and 2024 school taxes. The estimated school tax rates published in July 2023 were used for this analysis. Overall, 49% of the properties decreased, and 51% increased. The number of properties that stayed the same was based on a projected \$150 increase or decrease per year, this number was significant because 41% of the properties fell into this range. On a monthly basis this equated to \$12.50 per month either up or down.

Following the conclusion of the Reassessment in 2023, all taxing districts in Tioga County were required to equalize their current millage rate in accordance with section 53 Pa C.S. § 8823(b) of the Consolidated County Assessment Law for the 2024 tax year. The adjusted County millage rate for 2024 was 3.32 mills, which is a little more than a 50% reduction from the 2023 rate of 6.75 mills. The required millage equalization process was completed by Tioga County at the end of last year following the November 15th certification of values. This held the 2024 budgeted county tax revenue to \$12,783,387, which was slightly below the amount billed in 2023(\$12,791,746). The final 2024 County millage was very close to what was estimated in July 2023, and so where the estimated Township and Borough millages. Based on the results so far, we would anticipate that the final school rates will also be close to what was previously estimated. School Districts are subject to similar equalization process under section 327 of the act of June 27, 2006 (1st Sp.Sess., P.L.1873, No.1), known as the Taxpayer Relief Act.

Please visit the Assessment Office website (<https://www.tiogacountypa.us/departments/assessment>) for more information on the assessment and reassessment process, or to access our online assessment database. A link to press releases, and a copy of the independent analysis of the 2023 reassessment conducted by the International Association of Assessing Officers (IAAO) Professional Consulting Services can be found under the “Announcements” section on the Assessment Office website. If property owners have any questions about their 2024 tax bills or the reassessment process, please contact the Assessment Office at 570-724-9117 Monday – Friday, 9:00 a.m. – 4:30 p.m.

Tioga County Reassessment Tax Impact
Comparing Combined County, Municipal, and Estimated School Taxes for 2023 vs. 2024

Detailed summary of the 2024 county-wide reassessment tax impact for County, Municipal, and School:

- 51% increased, 49 % decreased
- 13% of properties increased or decreased less than \$25 per year
- 20% of properties increased or decreased less than \$50 per year
- 32% of properties increased or decreased less than \$100 per year
- 41% of properties increased or decreased less than \$150 per year
- 49% of properties increased or decreased less than \$200 per year
- 65% of properties increased or decreased less than \$350 per year
- 73% of properties increased or decreased less than \$450 per year
- 82% of properties increased or decreased less than \$600 per year
- 86% of properties increased or decreased less than \$700 per year
- 91% of properties increased or decreased less than \$900 per year
- 95% of properties increased or decreased less than \$1,200 per year
- 5% of properties increased or decreased more than \$1,200 per year
